Prohibited and Controlled Items and ‘Tools of the trade’ on FAA-Controlled Property

This requirement restricts the following items, even if stored in POV or GOV entering FAA controlled property. Unless meeting the exemptions listed in 18 U.S.C., Sect 930(d), the following items are prohibited:

1. **Prohibited Items.** Items that are prohibited in Federal facilities include any item prohibited by any applicable Federal, State, local, and tribal law and/or ordinance, as well as firearms, dangerous weapons, explosives, or other destructive devices (including their individual parts or components) designed, redesigned, used, intended for use, or readily converted to cause injury, death, or property damage. This list applies to all facility occupants, contractors, and the visiting public.

   a. **Firearms and Projectile Weapons and Their Replicas (to include toys)**
      i. Firearms or similar device that expels a projectile through the action of an explosive
      ii. BB, Pellet or Compressed air guns (to include Airsoft style guns)
      iii. Antique firearms
      iv. Flare guns
      v. Realistic replica or toy firearms
      vi. Spear guns
      vii. Starter pistols
      viii. Stun guns, cattle prods, dart-firing stun guns, and other electric weapons or controlled devices
      ix. Slingshots

   b. **Bladed, Edged, or Sharp Tools or Implements**
      i. Axes or hatchets
      ii. Bows and arrows
      iii. Ice axes/ice pics
      iv. Martial Arts weapons (darts, kama, sais, shuriken (i.e., throwing star), spear, swords, etc.)
      v. Dagger, sabre, sword, and other bladed devices with a blade more than 2 ½ inches
      vi. Razor blades not in a cartridge, but excluding safety razors

   c. **Club-Like Items and Striking Devices (to include flashlights which may be used in the same manner)**
      i. Billy clubs
ii. Blackjacks
iii. Brass Knuckles
iv. Locking batons (e.g., ASP friction loc baton)
v. Martial Arts weapons (axe, kamas, kubatons, nunchakas, rings (e.g., traditional),
staffs, tonfas, etc.)
vi. Nightsticks

d. Destructive Devices, Explosives, or Combustible Chemical Compounds or Mixtures
   i. Blasting caps or detonators
   ii. Bomb
   iii. Dynamite, nitroglycerin, trinitrotoluene, ammonium nitrate, and other chemical
        reaction, rapid expanding chemicals
   iv. Fireworks
   v. Gunpowder
   vi. Plastic explosives
   vii. Mine
   viii. Ammunition (to include shotguns shells or firearms cartridges, black powder,
        smokeless propellant powder)
   ix. Hand grenades (e.g., fragmentation, illuminating, chemical (e.g., smoke),
       offensive, practice and training, nonlethal, novelty)
   x. Realistic replicas of explosives or similar devices
   xi. Explosive or rapid expanding gasses
   xii. Gas torches
   xiii. Flammable liquids (e.g., gasoline, turpentine, paint thinner)

Controlled Items. Controlled items include ‘tools of the trade’ and ‘sporting equipment’ and are
those items that are considered potentially dangerous. Visitors are prohibited from bringing
controlled items into Federal facilities. Controlled items may be in the possession of Federal
employees and contractors on federal property, provided that those items are used in the
execution of their job, or to participate in on-facility or off-facility recreational (sports) activities.

Tools of the Trade. Tools of the trade include any item required for a person to do his or her job,
such as hand tools for maintenance and construction or a chef’s knife for a caterer.

Bladed, Edged, or Sharp weapons. The list of prohibited bladed, edged, or sharp weapons
includes but is not limited to:
   1. Saws, including cordless portable power saws,
   2. Scissors, metal with pointed tips,
   3. Screw drivers (except those in eyeglass repair kits),
   4. Drills, including portable power drills,
5. Tools including, but not limited to, wrenches, pliers, and folding, multi-purpose utility tools, etc.

Club-like Items and Striking Devices. The list of club-like items and striking devices includes, but is not limited to:
1. Hammers
2. Crowbars

Destructive Devices, Explosives, or Combustible Chemical Compounds and Mixtures. The list of destructive devices, explosives, or any chemical compound or mixture that has a property of yielding readily to combustion or oxidation upon the application of heat, flame, or shock includes, but is not limited to:
1. Flares,
2. Gasoline, and
3. Aerosol sprays.

Disabling Chemicals and Other Dangerous Items. The list of disabling chemicals and other dangerous items includes, but is not limited to:
1. Chlorine and bleach,
2. Toxic industrial chemicals and/or materials.

Sporting Equipment. Sporting equipment consists of items used in the practice of, or participation in, certain physical activities, games, or sports. Sporting equipment may be possessed by Federal Employees and Contractors on Federal Property.

Club-like Items and Striking Devices. The list club-like items and striking devices includes, but is not limited to:
1. Baseball/softball bats,
2. Golf clubs,
3. Hockey sticks,
4. Hurling sticks
5. Lacrosse sticks,
6. Pool cues, and
7. Ski poles.
